645—200.9(147) License fees. All fees are nonrefundable.

200.9(1) The application fee for a license to practice physical therapy issued upon the basis of examination or endorsement is \$100 in check or money order made payable to the Board of Physical and Occupational Therapy Examiners. 200.20(3) *Legal representation.* Every statement of charges and notice of hearing shall be reviewed by the office of the attorney general, which shall be responsible for the legal representation of the public interest in all contested case proceedings before the board.

200.20(4) *Continuances.* A party has no automatic right to a continuance or delay of the disciplinary hearing. A party may request a continuance of the board no later than seven days prior to the date set for hearing. Notice by ordinary mail shall be given to each party of the date, time, and place of the prehearing conference.

200.20(6) *Failure by respondent to appear.* If a respondent, upon whom proper notice of hearing has been served, fails to appear at the hearing, the board may proceed with the conduct of the hearing, and the respondent shall be bound by the results of such hearing to the same extent as if the respondent were present.

200.20(7) *Hearing procedure.* The board adopts the rules of the department of public health found in 641—Chapter 173, Iowa Administrative Code, as the procedure for hearing before the board. The board may authorize an administrative law judge to conduct the hearings, administer oaths, issue subpoenas, and prepare written findings of fact, conclusions of law and decision at the direction of the board. If a majority of the board does not hear the disciplinary proceeding, a recording or a transcript of the proceeding shall be made available to members of the board who did not hear the proceeding.

200.20(8) *Application for rehearing.* The filing of an application for rehearing is not necessary to exhaust administrative remedies. Within 20 days after the issuance of a final decision, any party may file an application for rehearing. The application shall state the specific grounds for rehearing and the relief sought and copies thereof shall be timely mailed to all other parties. The application shall be deemed denied if not granted within 20 days after service on the board. Upon rehearing, the board shall consider facts not presented in the original hearing only if:

- a. Such facts arose subsequent to the original proceedings; or
- b. The party offering such evidence could not reasonably have provided such evidence at the original proceedings; or
- c. The party offering the additional evidence was misled by any party as to the necessity for offering such evidence at the original proceedings.

200.20(9) *Appeal.* Any appeal to the district court from disciplinary action of the board or denial of license shall be taken within 30 days from the issuance of the decision by the board. It is not necessary to request a rehearing before the board to appeal to the district court.

a. If the order of revocation or suspension did not establish terms and conditions upon which reinstatement might occur, or if the license was voluntarily surrendered, an initial application for reinstatement may not be made until one year has elapsed from the date of the order or the date of the voluntary surrender.

b. All proceedings for reinstatement shall be initiated by the respondent, who shall file with the board an application for reinstatement of the license. Such application shall be docketed in the original case in which the license was revoked, suspended, or relinquished. All proceedings upon the application for reinstatement shall be subject to the same rules of procedure as other cases before the board.

c. An application for reinstatement shall allege facts which, if established, will be sufficient to enable the board to determine that the basis for the revocation or suspension of the respondent's license no longer exists and that it will be in the public interest for the license to be reinstated. The burden of proof to establish such facts shall be on the respondent.

d. An order denying or granting reinstatement shall be based upon a decision which incorporates findings of facts and conclusions of law. The order shall be published as provided for in this rule.

200.20(14) *Voluntary surrender.* The board may accept the voluntary surrender of a license if accompanied by a written statement of intention. A voluntary surrender, when accepted in connection with a disciplinary proceeding, has the same force and effect as an order of revocation.
